

# 2019 Fall Sewing Classes

**Classes for age 6 thru Adult**

**Class size: 3-4 students**

**Wee Stitchers Age 6-8.** Until 3rd grade, children are best learning hand stitching - then progressing to the sewing machine at about age 10.

**Young Sewers Age 9-15.** Focus on machine sewing skills of all types. Read class descriptions online as with many students having attended my classes, I have tailored classes and projects to different skill levels. If you have questions, please call 217-369-4687.

Minimum class registration of at least 3 students must be met in order for class to be held.

If you have a group of 3 similar-aged kids all available at the same time that works into my schedule, I'm HAPPY to schedule and tailor a class to your group's needs. Call me 217-369-4687
